

## 3rd party libraries installation problem

i have been stucked in a problem from a week.. when ever i tried to install 3rd party libraries it always throw plugin resolution exception..here i am posting what i am doing.. please let me know what i am doing wrong. thanks  
this what i am executing

```
C:\Joget-v4-Enterprise\apache-ant-1.7.1\bin>ant -f setup-maven.xml
```

this is the exception i am experiencing

```
[exec] Downloading: https://repo.maven.apache.org/maven2/org/codehaus/plexus/plexus-digest/1.0/plexus-digest-1.0.pom
[exec] [INFO] -----
[exec] [INFO] BUILD FAILURE

[exec] [ERROR] To see the full stack trace of the errors, re-run Maven with the -e switch.
[exec] [ERROR] Re-run Maven using the -X switch to enable full debug logging.
[exec] [ERROR] For more information about the errors and possible solutions, please read the following articles:
[exec] [ERROR] [Help 1] http://wiki.apache.org/confluence/display/MAVEN/PluginResolutionException
[exec] Result: 1
```

NOTE: i have followed these steps

If you do the above on Windows platform, please modify mvn to mvn.bat in the setup-maven.xml before executing "apache-ant-1.7.1/bin/ant -f setup-maven.xml"
