

Hosted Joget

Joget On-Demand is a hosted Joget service provided to help you to get started right away without the fuss of setting up things yourself.

Please go to cloud.joget.com and sign up for a free account, and when you are done, you can proceed to [Creating an App](#).

The banner features a dark green background with a pattern of lighter green hexagons. At the top left, it says "JOGET WORKFLOW ON-DEMAND" and "Home" with a horizontal line underneath. At the top right, there is a white button with a black border that says "Sign Up Free". The main headline in large white font reads "Faster, Simpler Digital Transformation". Below this, in a smaller white font, is the sub-headline "Rapidly Build Enterprise Applications and Automate Processes, Anytime, Anywhere." At the bottom, there are two white buttons with black text: "Pricing" and "Sign Up Free". Below these buttons, a line of white text states "Sign up and get 3 users absolutely free or subscribe to very affordable plans."

[Joget for Google Apps](#) is a special edition created and hosted by Joget On-Demand.

In this edition, it integrates with Google Apps user directory so that existing Google Apps users would enjoy a seamless login Joget without the need to remember separate set of login credential.

The screenshot shows the Gmail interface. The top navigation bar includes the Gmail logo, a search bar with "in:snoozed", and the Joget logo. On the left, the navigation sidebar lists folders like Compose, Inbox (153), Starred, Snoozed, Important, Sent, Drafts, and Categories. On the right, the "More from G Suite Marketplace" section is visible, featuring icons for YouTube, Maps, News, Cloud Print, and Joget Workfl... The Joget icon is highlighted with a green circle.
