The screenshot displays a web application interface for 'Ticket'. At the top, there is a blue header with the title 'Ticket' on the left, the date 'Thu, 10 Nov 2011' in the center, and a 'Logout' link on the right. Below the header is a sidebar menu titled 'Main' with five items: 'Welcome', 'Inbox', 'Submit Ticket', 'List Tickets', and 'Report'. The main content area features a table with four columns: 'Process Name', 'Activity Name', 'Date Created', and 'Due Date'. The table contains five rows of data, each with a 'Submit Ticket' link in the 'Activity Name' column. Above the table, there is a search bar with '10' and a 'Show' button. Below the table, it indicates '5 items found, displaying all items.' and '1'. At the bottom of the table area, there are export options: 'Export: CSV | Excel | XML | PDF'. The footer of the page says 'Powered by Joget'.
