

Radio

Radio is one of the generic HTML Form input elements. It has the same setup as [SelectBox](#).

The image shows a screenshot of a web form titled "Proposal Form". The form has a header bar with the title "Proposal Form" and a "Drag This Column" instruction. Below the header, there are several fields: "Reference No" with the value "AUTO", "Account" with four radio button options (Phillip, Warren, Suda, Wendy), and "Title" with a red asterisk indicating it is required. The form is styled with a light gray background and a white input area.

Reference No	AUTO
Account	<input type="radio"/> Phillip <input type="radio"/> Suda <input type="radio"/> Warren <input type="radio"/> Wendy
Title *	<input type="text"/>
