

# Completed Processes

Completed Processes lists all finished processes and lets one check the historical data of each of the process instances as well.

The screenshot displays the 'Completed Processes' interface. On the left is a sidebar with three menu items: 'Running Processes', 'Completed Processes' (highlighted), and 'Audit Trail'. The main area features a table with columns: Process Id, Started Time, Process name, Requester, Process Version, and State. The table contains 10 rows of data, all for 'Workflow Process 1' with 'admin' as the requester. The 'State' column shows various 'closed.c' and 'closed.a' values. Above the table are filters for 'App', 'Search', and 'Process Id'. Below the table is a pagination bar showing 'Page 1 of 10' and 'Displaying 1 to 10 of 92 items'. A 'Delete' button is located below the pagination bar.

<input type="checkbox"/>	Process Id	Started Time	Process name	Requester	Process Version	State
<input type="checkbox"/>	20914_proposed_fyp_subm	Fri Nov 11 10:56:47 SGT 20	Workflow Process 1	admin	1	closed.c
<input type="checkbox"/>	20848_test_process1	Fri Oct 14 16:09:39 SGT 20	Workflow Process 1	admin	6	closed.c
<input type="checkbox"/>	20842_test_process1	Fri Oct 14 16:07:19 SGT 20	Workflow Process 1	admin	5	closed.c
<input type="checkbox"/>	20841_test_process1	Fri Oct 14 16:06:54 SGT 20	Workflow Process 1	admin	5	closed.c
<input type="checkbox"/>	20840_test_process1	Fri Oct 14 16:05:28 SGT 20	Workflow Process 1	admin	5	closed.a
<input type="checkbox"/>	20839_test_process1	Fri Oct 14 16:05:27 SGT 20	Workflow Process 1	admin	5	closed.a
