Introduction

The **Signature** is a special element with canvas to collect the user's input by scribbling/sketching on it

Get Started

The easiest way to see how the Signature works are to create a new app. Here are the steps:

Steps	Screen (Click to view)
<ol style="list-style-type: none"> 1. Start the Joget Server and open the App Center. 2. Log in as admin and click on the pencil icon on the Expenses Claim to open the Design App. (see Figure 1) 3. Click on the Create New Form button and fill up the Form Details as follows (see Figure 2): <ol style="list-style-type: none"> a. Form ID: signature b. Form Name: Signature c. Table Name: j_expense_claim 4. Drag and drop a Signature element on to the canvas. 5. Click on Preview, and try drawing in the Signature field. 	 <p>Figure 1</p>  <p>Figure 2</p>
