

Integration

There are various ways of integration with Joget DX and external systems.

- [JSON API](#)
- [Single Sign On - SSO](#)
- [Javascript API](#)
- [Developing Plugins](#)

- [Embedded Mode](#)
- [External Form](#)
- [Integration with UiPath Robotic Process Automation](#)
- [Link to Run Process](#)
- [Sample JSON API Integration](#)
- [Web Service Calls](#)
