

Text

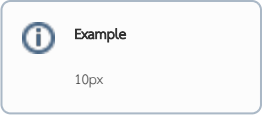

Definition

Text can display plain text in the report.

The screenshot shows the 'Edit Text' dialog box. It features a title bar with 'Auto save when close?' and a close button. The main area is titled 'Edit Text' and contains a large text input field. Below the input field are several property controls: 'Bold' (checkbox), 'Italic' (checkbox), 'Decoration' (checkboxes for Underline, Overline, Strike Through), 'Size' (text input), 'Alignment' (radio buttons for Left, Center, Right), 'Color' (text input), 'Height' (text input), and 'Margin Bottom' (text input with '10px' pre-filled). At the bottom right are 'OK' and 'Cancel' buttons.

Figure 1: Text Properties

Name	Description
Text	Value to be displayed as text in the report.
Bold	If checked, the label will be set to bold.
Italic	If checked, the label will be set to Italic.
