5. **status** , Approved Rejected .

The screenshot shows a 'Property Editor' dialog box for editing the 'approval' radio button. The dialog has a 'close' button in the top right corner. The main content area is titled 'Edit Radio' and 'Edit Radio > Advanced Options'. It contains the following fields:

- ID ***: A text field containing 'approval'.
- Label**: A text field containing 'Approval'.
- Options (Hardcoded)**: A table with three columns: 'Value', 'Label', and 'Grouping'.

Value	Label	Grouping
Approved	Approved	
Rejected	Rejected	
- Or Choose Options Binder**: A dropdown menu.

At the bottom of the dialog are two buttons: '< Prev' and 'Next >'. On the right side of the dialog, there are two buttons: 'OK' and 'Cancel'.

6. . . . **status** . .

The screenshot shows a 'Property Editor' dialog box for editing the 'status' workflow variable. The dialog has a 'close' button in the top right corner. The main content area is titled 'Advanced Options' and 'Edit Radio > Advanced Options'. It contains the following fields:

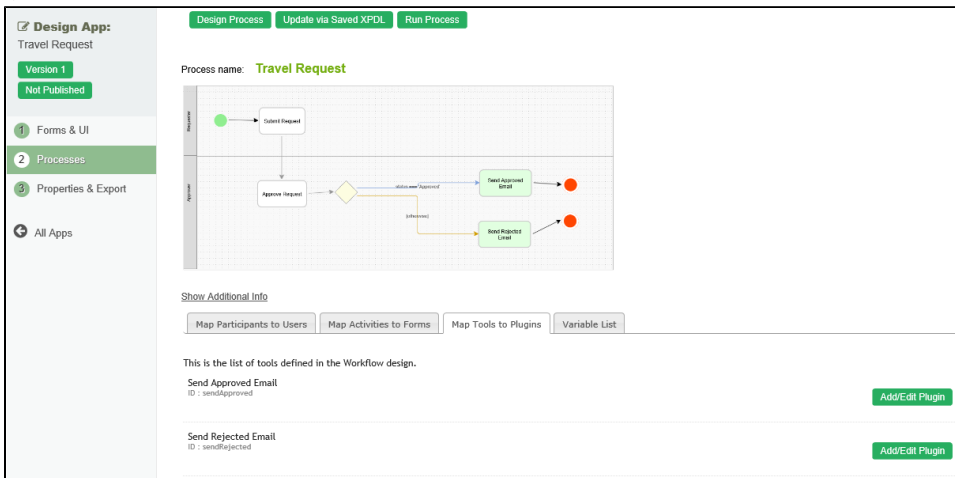

- Dependency**: A text field.
- Field ID to control available options based on Grouping**: A text field.
- UI**: A text field.
- Read-only**: A checkbox.
- Display field as Label when read-only?**: A checkbox.
- Workflow**: A text field.
- Workflow Variable**: A text field containing 'status'.

At the bottom of the dialog are two buttons: '< Prev' and 'Next >'. On the right side of the dialog, there are two buttons: 'OK' and 'Cancel'.

7. . :

The screenshot shows the Joget Form Builder interface for the 'Travel Request v1: Travel Approval Form'. The interface has a top bar with the Joget logo and the title 'FORM BUILDER Travel Request v1: Travel Approval Form'. Below the top bar are four tabs: 'DESIGN FORM', 'PROPERTIES', 'PREVIEW', and 'SAVE'. To the right of the tabs are three buttons: 'Undo', 'Redo', and 'Advanced Tools'. On the left side of the interface is a sidebar with a list of form fields: 'Basic' (Hidden Field, Text Field, Password Field, Text Area, Select Box, Check Box, Radio, Date Picker, File Upload, Subform) and 'Custom' (Grid). The main area of the interface shows a preview of the 'Travel Approval' form. The form has a title 'Travel Approval' and a subtitle 'Drag This Column'. It contains a section titled 'Travel Request Details' with the following fields: 'Name', 'Travel Date (From)', 'Travel Date (To)', and 'Remark'. Below this section is an 'Approval' section with two radio buttons: 'Approved' and 'Rejected'.
