Joget Workflow for Google Apps is a special edition created and hosted by Joget Workflow On-Demand.

In this edition, it integrates with Google Apps user directory so that existing Google Apps users would enjoy a seamless login Joget Workflow without the need to remember separate set of login credential.

The screenshot shows the Gmail interface with the Joget Workflow integration. The top bar includes the Gmail logo, a search bar with "in:snoozed", and the Joget Workflow logo. The left sidebar shows the standard Gmail navigation menu. The right sidebar displays a "More from G Suite Marketplace" section with icons for YouTube, Maps, News, Cloud Print, and Joget Workfl... (highlighted with a green circle).
