Instructions

1. Obtaining App Information

- Import the Protected App that you have into your copy of Joget Workflow.
- Upon successful App import, you will see the following screen.

The screenshot shows the 'HR Expenses Claim App' details in the Joget Workflow interface. The 'App License' section is highlighted with a red box, showing the following information:

| App License | |
|-------------|---------------------------------|
| App ID | hr_expense |
| Licensed To | Company A |
| System Key | 16e126fd0b5e3979c91e519c1a18d8d |

A red 'Invalid License' message is visible above the 'App ID' field. The interface also shows a sidebar with navigation options like 'Forms & UI', 'Processes', 'Properties & Export', and 'All Apps'. The 'App' status is 'Protected App' with an 'Expiry: 2016/07/31' and a 'Version 1' label.

- Take note of the attributes on screen - **App ID**, **Licensed To**, and **System Key**.

2. Request App License

- On your web browser, navigate to our [License Activation site here](#).
- Click on **Request for App License** link from the menu to access the license request form. Refer to the following screenshot.

The screenshot shows the 'Request for App License' form in the Joget Workflow Enterprise License App. The form includes the following fields:

| Request for App License | |
|--------------------------------|---------------------------------|
| App License Information | |
| App ID * | hr_expense |
| License Holder / Licensed To * | Company A |

| System Key | 16e126fd0b5e3979c91e519c1a18d8d |
| Licensee Details | |
| Full Name * | |

- Fill up the form. Paste in the information gathered previously into the form.
- When you are done, click on the submit button to submit your request.
- After you have submitted your "Request for App License" form, if **approved** (usually not more than a 24 hours), you will receive an email with the "App License" key.

3. Applying the App License

- Once you have received your App License key, go back to your copy of Joget Workflow.

- Key in your administrative credential and the App License key obtained into the form.
